

## 2015 Application for West Virginia State Electrical Examination

---

### IMPORTANT INFORMATION

**Please type or print your information on the application legibly.**

- Applications will **not** be processed unless completely filled out, signed & **accompanied by the exam fee**
- Check / Money Order made payable to the **WVSFMO** - We are **unable to accept** debit or credit cards at this time - Remitted checks that are returned as “insufficient funds” are subject to penalty as allowed by WV State Code.
- Please provide e-mail address only if you check it frequently in case we need further information
- Once your application is reviewed you will receive written notification of acceptance or denial of your application within 14 days.
- Exam fees are **non-refundable**, however, we do allow you to reschedule your exam as long as we are notified no later than the day of the exam. You may reschedule up to three times within 12 months of the original exam date.
- All exams are open book exams solely based on the 2011 National Electric Code Book, which are not provided by the fire marshal; they may be purchased at any electrical supply store. Calculators, book tabs, keyword indexes and Ugly’s reference books are allowed. Study guides, test prep courses or practice exams are not available.
- Exams begin at 9 am with check in beginning approximately 8.30 am. We allow no more than 4 hours for the completion of the examination. You may only take one level of exam on each date.
- If you need special consideration due to a disability, please submit written request along with your initial application so that we can accommodate your needs.
- Your examination results will be mailed to you within 14 days of the exam date. Passing exam score has to be 80% or higher.
- Please do not submit original documents of any sort as we are unable to return them to you.

- Work experience must be completed listing the minimum amount of work experience required for the requested testing level. Please carefully read the requirements necessary for each exam level.
- Apprentice Applicants do not have to complete the work history section
- There is no set amount of time you have to wait in between exams before being able to retest. If you choose to do so, you can retest the very next available exam date
- Seating is limited for each exam date / location
- If you need further information please contact us at (304) 558-2191 Ext. 53219 or by e-mail at [Tanya.Bradshaw@wv.gov](mailto:Tanya.Bradshaw@wv.gov)

# Qualification Requirements:

---

## Master Electrician

Must show at least **10,000** hours or **5** years of actual **hands-on** work electrical work experience. Such experience has to include some residential, some commercial and some industrial experience. (It is acceptable to substitute the work experience section of this application with a detailed resume, as long as the work setting is clearly identifiable). Vocational training cannot be counted towards the required experience. All work experience has to consist of **above ground structural wiring** in accordance with the NEC.

Your exam will consist of 50 multiple choice questions (worth 1 point each) and 10 calculations (5 points each) which may include intricate calculations referencing service loads, power factor, voltage drop, service size, demand load, circuit resistance, outlet requirements, etc.

## Journeyman Electrician

Must show **8,000** hours or **4** years of hands on electrical work experience

**or**

a completed apprenticeship program approved by the **US Dept of Labor**

**or**

a completed vocational course approved by the **WV Dept of Education** of no less than **1080** hours.

You **must provide a copy of your certificate of completion** of your apprenticeship or vocational program.

Your exam will consist of 42 multiple choice questions (worth 2 points each) and 4 calculations (worth 4 points each) which may include simple calculations referencing power factors, voltage drops, resistance, circuit requirements, etc.

## Specialty Electrician (HVAC / Electric Sign / Single Fam. Dwelling / Elevator / Fire & Burglar Alarm)

Must show **4,000** hours or **2** years of hands on electrical work experience in the specialty area that you will be testing for. One year may be obtained through an approved educational course.

Your exam will consist of 20-25 multiple choice questions (worth 4-5 points each).

## Apprentice Electrician

Only requirement is to be 18 years of age. You do not fill out the work experience part of this application.

Your exam consists of 20 multiple choice code questions taken from the first four chapters of the National Electric Code Book.
